WHISKY TASTING

### Cardhu Gold Reserve

Cardhu comes from one of the oldest of the Speyside distilleries, which have nestled in foothills near the River Spey for 200 years. Big entry into the mouth with immediate wave of ripe malt which brings out some spicy notes and hints of vanilla.

### Benriach The Original Ten Single Malt Whisky

There's plenty of luscious orchard fruit on the nose and ripe pear, nectarine, malt sweetness and almond on the palate. The distillery stands on the site of the old Riach farm and draws water from the mineral-rich aquifer deep beneath.

### Bowmore 12-Year-Old Islay Single Malt Whisky

Warm and addictive with notes of subtle dark chocolate and peat smoke, this is utterly delicious and perfectly reflects its origins on the shores of Loch Indaal, where the distillery has stood on the island since 1779.

### Glen Scotia Campbeltown Harbour

Lovingly matured in 100% bourbon casks for a touch of toasty sweetness to complement the light peaty character. The finish has the distinctive sea-salt tang that characterises the glorious single malts of Glen Scotia in Campbeltown.

### Laphroaig Select Single Malt

'Select' takes its name from a special cask-maturation technique which results in a full-bodied whisky with prominent peaty and ripe red fruit aromas.

### Tamnavulin Malt Whisky

A double cask Speyside matured in American oak barrels and finished in sherry casks for a touch of sweetness to complement the vanilla notes. Textbook citrus notes with a long warming finish.

### The Singleton of Dufftown 12-Year-Old

Its distinctive taste comes from a unique selection of European oak casks that bring aromas of rich fruits, toasted nuts, blackcurrant, brown sugar and coffee, and American ones that impart honeyed hints of vanilla.

### The Sexton Single Malt

Created by Alex Thomas, one of a few female master blenders, and made from 100% Irish malted barley. It is triple distilled for smoothness in copper pot stills then aged in former oloroso sherry casks sourced from Jerez de la Frontera, Spain.

### Penderyn Madeira, Single Malt Welsh Whisky, Gold Range Edition

A fresh, light-gold hue leads into aromas of creamy toffee and rich sultana sweetness. Layers of orchard fruit and candied peel intertwine with gentle vanilla oak. A soft hint of spice emerges, underscoring the Madeira influence.

### Tullibardine Sovereign | Highland Single Malt Scotch Whisky

Floral and Sweet Barley Notes with soft hints of vanilla, toffee, and creamy chocolate, every sip reveals layers of flavour, resulting in a beautifully balanced and approachable single malt with a soft spice finish.

### Bunnahabhain Stiuireadair Islay Single Malt Scotch Whisky

Creamy mouth feel with a dried fruit influence, sea salt, creamy caramel with hints of nuts and a gentle spice

### Jura Bourbon Cask Single Malt Scotch Whisky

Jura Bourbon scotch whisky is a bright and fruity single malt with layers of ripe citrus fruit, vanilla and salted caramel.

### Ardbeg Ten Years Old, Islay Single Malt Scotch Whisky

A burst of peat, infused with lemon and lime wrapped in dark chocolate, is followed by notes of menthol and black pepper

### Tamnavulin Speyside Single Malt Scotch Whisky Double Cask

Aromas of apple, toffee, honey and sweet marzipan, with pear, creamy peaches, pineapple and demerara sugar on the palate

### Talisker 10 Year Old Single Malt Scotch Whisky

The first of the two distillation phases gives the single malt its unique spicy complexity and distinctive peppery notes. The soft and smoky flavour gives a warm afterglow

### Talisker Skye Single Malt Scotch Whisky

Talisker Skye is a vibrant, citrus-forward expression aged in charred American oak. Lighter than the 10 Year Old, it pairs soft fruit and cereal notes with classic smoke and a peppery finish.
